

Guide to hosting

Thank you for generously being an Eat Rice host

What do I do now?

- **Fill in the Yes! sign me up form** upendo.org.au/rice-host
- **Set the date** Any day, a meal, lunch, dinner, any day in October
- What about having a **financial goal** to aim for? Consider setting a goal per guest or for the meal itself
- **Invite your family and friends** Get them excited to share in the spirit of heart and generosity. Maybe ask them to bring another person. An RSVP will be very useful to help you prepare. Have you seen our **host invitation**?
- **Choose a recipe** Needing some ideas? Download our recipe ideas from the host page
- **Placemats or thank you cards** Upendo children have created drawings you can print and use as placemats or turn into thank you cards or any other creative ideas – available on our host page

On the day of your event

- Enjoy the delicious rice dish/es and the wonderful company.
- A donations button will be available on the hosts page to make donations easily collected.

Help raise Upendo's profile – **LIKE** or **share**
